ROMY BIRDTHISTLE

I have been working in the travel industry for over eight years and love working for Tropical Sky. I have travelled throughout the Caribbean, America, Canada, Asia and Australia. Out of everything I do weddings and honeymoons are definitely my favourite part. I love being involved right from the beginning of the process and being able to help every step of the way!

KAZ MILLS

I have been at Tropical Sky now for nearly three years, but in the travel industry for nearly eleven. In that time I have been lucky enough to visit lots of different destinations including Tobago, St. Lucia, Mexico, Cuba, Mauritius and Africa. I love being involved with weddings from the initial enquiry and conversation about where to go, all the way through to hearing all about it when they return home - receiving a picture of the happy couple is also a bonus!

KELLY PALMER

I started my life in travel over 20 years ago and have spent the last six years thoroughly enjoying my role as a USA and Canada Wedding Specialist. I am particularly fond of America because of its variety - each state is truly like a different country and there is so much to see and do from buzzing cities, golden beaches and shopping to theme parks and national parks - the list is endless!

FRED HARRISON

I've been working at Tropical Sky for over five years as Wedding Development Manager for the Tropical Sky Weddings programme. Of the many gorgeous destinations I have visited, St Lucia is one of my favourites, having visited on numerous occasions both for work and holiday. It gives me immense pleasure working with couples to help them to decide their ultimate wedding destination. I have the best job in the world!

EMMA WHARTON

I've been working at Tropical Sky as a Wedding Specialist since October 2011 and I can't think of a better job in the world! I always look forward to sharing my wonderful experiences to help create the dream wedding and honeymoon.

HOLLY REID

I have been with Tropical Sky for four years now and one of the favourite parts of my job is being able to talk to my wedding couples when they return home and to see the photos of their wedding day. It's really heart-warming to be able to work with a couple from their first phone call to us where we talk about their options, right the way through to when the happy couple arrive back home.

SARAH-JAYNE HAWKINS

I have been working at Tropical Sky for eight years and I am incredibly passionate about my role as Senior Weddings Specialist. I really love everything from the initial contact with the bride or groom to being sent photos of the wedding once the happy couple have returned. It gives me a great sense of wellbeing that everything has gone so brilliantly.

ZACH SHEPPARD

Since joining Tropical Sky in September 2011, I have been lucky enough to see and experience Kenya, South Africa, Sri Lanka, New York, St Lucia, Antigua, Mexico and the Maldives! I absolutely love organising once in a lifetime weddings abroad and exotic honeymoons and using my knowledge and experience to help the wedding couple make the right choices for them. No group is too large and no request is too small!

CLAUDETTE GOODWIN

I have been in the travel industry now for over a year. As a beaches wedding specialist I have been fortunate enough to travel to many Caribbean and Indian Ocean destinations. It is really rewarding to be able to share personal anecdotes and knowledge with couples so they can choose the most suitable wedding venue for their special day.

KAREN ANDREWS

My name is Karen and I am Senior Wedding Co-ordinator at Tropical Sky. I have worked in travel for over 27 years and have enjoyed the last eight years at Tropical Sky. I love my job as it's so rewarding - no two weddings are the same!

Messages from our happy couples

The newly married, Mr & Mrs Prajapat, returned from their Wedding and Honeymoon at the stunning LUX* Belle Mare, Mauritius.

"It was love at first sight, we met through a mutual friend, and we got to know each other in India when I was travelling out there. We chose Mauritius for our wedding due to visa restrictions in the UK, this also meant that Sid's family could attend from India. We decided on LUX Belle Mare hotel as it seemed like the nicest on the island and it was simply stunning. We booked our wedding through Tropical Sky who were very helpful in arranging our special day. We would use your services again in the future."*

Graham and Fiona spent their special day in the exciting city of Las Vegas, and were married at the Graceland Chapel.

"We made the decision to get married abroad as it seemed an easier option, so I contacted Tropical Sky Weddings and spoke with Kaz who was very helpful, she gave me lots of different options to choose from. We eventually made up our minds and chose a simple but fun wedding in Las Vegas. We were married within 15 minutes at The Graceland Wedding Chapel by a local pastor, before heading to the Eiffel Tower Restaurant for a gorgeous meal at the Paris Hotel overlooking the amazing Bellagio fountains. It was such a wonderful day, with no fuss, just the two of us."

The Newly married Mr & Mrs Bate spent their honeymoon in Dubai and the Maldives.

"We booked our honeymoon to Dubai and the Maldives through Tropical Sky. We were thoroughly impressed with the seamless service they provided from start to finish. We didn't have to worry about anything which was great. We just sat back and enjoyed our time in these amazing destinations. Overall using Tropical Sky was a pleasure and we will definitely be using their services again!"

John & Julia Harris spent their honeymoon in Thailand and stayed at the Centara Grand Beach Resort & Villas in Krabi.

"We used Tropical Sky to book our Honeymoon to Thailand and were absolutely thrilled. With the help of Scott, who tailor-made the honeymoon to make sure it was the trip of a lifetime. Scott's knowledge was fantastic, as he'd even stayed in the hotel we booked. Every aspect of the trip was covered so we didn't have to worry about a thing. We had such a great time and will absolutely recommend Tropical Sky to everyone."

Mr & Mrs Söderlund celebrated their special day on the beautiful island of St Lucia, and stayed at the adults-only hotel, Rendezvous.

"We wanted to get married within 12 months of our engagement, so combining the wedding and honeymoon together was a third of the cost. Through research and reading reviews we finally chose Rendezvous in St Lucia, as we wanted a small boutique adult's only hotel, and this was ideal. The wedding team at Tropical Sky organised almost everything, they were amazing. The attention to detail was impressive and they answered all (my numerous!) questions very quickly. We also had a wedding planner at the resort with whom we were in contact with prior to our arrival. The whole week was the best week of our lives."

Mr & Mrs Gerrard got married in their dream location Mexico, surrounded by their family & friends.

"We had always dreamt of visiting Mexico after hearing the amazing reviews from friends who had visited. When we looked into it further we were surprised about its great value for money and the quality we would receive for the price, for us then it was a done deal. Deciding on hotels we contacted Tropical Sky Weddings and spoke to Zach who recommended Dreams Riviera Cancun Resort & Spa, as he had visited this hotel himself. We researched the hotel, it looked amazing and we knew it was the perfect place for us and our guests, as the hotel was very family orientated which was important as we had young children travelling with us"

Symbolic Weddings

Same-Sex Weddings

Many wedding couples are now choosing to be legally married at home followed by a symbolic wedding in resort with family and friends.

Symbolic ceremonies mean many different things to different people. A symbolic ceremony can look just like a wedding, complete with a special venue, the wedding outfits and surrounded by all of your loved ones, except that it's not a legally recognised ceremony, just a wedding without the fuss of paperwork and legal fees.

You may have done some research and found that having a legal Civil wedding in Mexico or the Dominican Republic can be fraught with additional costs for paperwork or that you have to complete blood tests in a foreign country (Mexico).

Maybe you have a phobia of needles or just don't have the time to complete the array of translations required for a legal wedding. Whether you book a free wedding or not, the compulsory fees for paperwork and Judge Fees can amount up to \$1000. However, please don't despair, help is at hand. Tropical Sky can offer you the choice of either a symbolic or a legal wedding in Mexico or the Dominican Republic. Symbolic weddings are less costly, and a great choice for busy couples that prefer to bypass the gathering of documentation required for a legal ceremony abroad.

If deciding on a full legal civil wedding we feel that it is best to advise you of these additional costs and as each wedding is individual we will work and guide you through the legal wedding process.

There are now an increasing number of countries where a legal gay marriage is possible. Consequently, you like many other gay couples may be looking to hold your wedding abroad to create a more memorable experience. We can arrange same sex weddings in a variety of locations, from small and romantic ceremonies to lavish and glamorous, each one is unique and can be tailored to fit your personality and expectations.

Canada - The natural beauty of Canada means wherever you choose to tie the knot, the setting will be exceptional and unique. Why not wed by Lake Louise, which provides a sensational backdrop to the day throughout the year? Alternatively, be inspired by the majestic landscape of Niagara Falls with a cruise beneath the rushing waters at sunrise.

USA - If you're seeking something truly distinctive and impressive head to New York, a buzzing city of iconic landmarks, or perhaps glitzy and glamorous Las Vegas. San Francisco has a wonderful cosmopolitan vibe and a friendly atmosphere that's fantastic for fun weddings that really celebrate your day. or perhaps Florida which has a host of venues to choose from including South Beach in Miami, the perfect location for an unforgettable wedding ceremony.

South Africa - Diverse, understated and luxurious, South Africa has a venue for every couple. For city weddings, Cape Town has the edge on many other locations in being both multicultural and naturally beautiful. Overlooked by Table Mountain, there are some truly amazing possibilities for romantic ceremonies here. If you're looking for something a little different, exchange nuptials in the African Bush - we can arrange a captivating service in the heart of Kruger National Park or Madikwe Game Reserve.

David and Isabelle

Perfect white sand beaches, bright golden sun, deep blue water, laid-back living and utterly friendly people – it is fair to say the Caribbean is legendary. These beautiful and eclectic islands are completely individual, each with their own unique characteristics and ambiance. But they do have one

thing in common – they all make a truly romantic and picture-perfect destination for your dream honeymoon or wedding.

We offer honeymoons and weddings in many of the most popular Caribbean destinations including Barbados, St Lucia, Tobago and Antigua.

Whether you're looking for a couples only hotel, a family-friendly resort or the ultimate luxury getaway we have the perfect place to suit your needs.

Relaxed, exotic & beautifully sophisticated

Weddings in the Caribbean

All Caribbean destinations require a valid passport, your original birth certificate and, where applicable, a decree absolute for proof of divorce, death certificate of former spouse and previous marriage certificate, and your adoption certificate. In most cases the minimum age for marrying is 18 (21 in Grenada and Turks & Caicos). Generally you'll also need to stay at the resort for at least seven days (10 in Grenada). In some destinations, you may require some documents to be translated and certified or blood tests to satisfy the local authorities.

Destinations in the Caribbean:

Antigua	Grenada
Aruba	Grenadines
Bahamas	Jamaica
Barbados	Mexico
British Virgin Islands	St Kitts
Cuba	St Lucia
Dominican Republic	Tobago
	Turks and Caicos

KAZ MILLS OUR CARIBBEAN EXPERT RECOMMENDS...

For the perfect Caribbean Wedding or Honeymoon why not consider combining two or more destinations in one unforgettable experience:

The Dominican Republic is a unique Caribbean island combining the traditional attributes of beautiful beaches and year-round sunshine with a less traditional mountain backdrop.

It's located in between the Caribbean Sea and the Atlantic Ocean, west of Puerto Rico, east of Cuba and south of Turks and Caicos. You'll find beaches of sugary white sand and lovely clear water here – it's a picture perfect representation of Caribbean beauty and the Punta Cana region is especially famous for its sandy shores.

But the Dominican Republic doesn't limit you to the sunbathe-swim-sleep-repeat routine (unless you want it to). If you want to get active you can enjoy scenic hiking trails into the verdant mountains or explore the patchwork of little Latino-influenced towns.

We offer an extensive range of incredible all-inclusive resorts in Dominican Republic, making it a very popular destination for a honeymoon or wedding abroad.

Wedding Venues

Choose from a wide range of resort weddings and other unique venues for your special day including:

- Hard Rock Hotel and Casino, Punta Cana which offers a Free Wedding (terms and conditions apply)
- Hoyo Azul Blue Lagoon - a stunning cenote with turquoise water and underwater caves located at the foot of a mountain
- Saona Island – an exotic island reached by a 30 minute boat trip, often featured in movies and commercials as it perfectly fits the role of a lost tropical paradise.

Indian Ocean

“After the reception we all went down to the beach and lit paper lanterns and sent them up into the sky and made a wish, it was beautiful.”

Pippa and Mathieu, Mauritius

Welcome to the paradise known as the Indian Ocean. Here you'll find the Maldives and the Seychelles; bywords for decadence, luxury and seclusion, and not far away there's the mountainous beauty of Mauritius and

the cultural charms of Sri Lanka. Perfect weddings are about your needs, your desires and your dreams.

The Indian Ocean might well present the world's ultimate vision of beautiful contrast. And whether you're walking on

the fine sands of the Seychelles, listening to the hum of waves in your over-water villa in the Maldives or receiving traditional blessings in Sri Lanka, we think these are some of the most romantic locations in the world, no matter what romance means to you.

Mesmerising views, a rich culture and divine experiences

Weddings in the Indian Ocean

The minimum age for getting married here is 18, and the minimum stay is seven days (10 in Sri Lanka). You can only get married in the Maldives if you are a citizen of the country, however, we can offer vow renewal ceremonies here. You'll need your passport and birth certificate, as well as a decree absolute, adoption certificate and death certificate of former spouse & previous marriage certificate, if these apply to you. In some destinations, you may require some documents to be translated and certified to satisfy the local authorities.

Maldives	Seychelles
Mauritius	Sri Lanka

Renewal of Vows

Unless you're a citizen of the Maldives, you cannot legally get married there. But this beautiful destination offers arguably the ultimate conditions for renewing your vows and taking an amazing second honeymoon in paradise. Enjoy a dhow cruise at sunset and walk hand-in-hand along the powdery beach – romance at its very best.

Wedding Venues

The quintessential Indian Ocean wedding takes place on a secluded beach overlooking the calm azure sea with the sand beneath your feet. Sri Lanka offers ceremonies infused in culture and you may take your vows accompanied by dancers, drummers and traditional singers on this colourful gem of an island.

EMMA WHARTON OUR INDIAN OCEAN EXPERT RECOMMENDS...

For the perfect Indian Ocean Wedding or Honeymoon why not consider combining two or more destinations in one unforgettable experience:

- See the sights of Sri Lanka on a private guided tour, then fly to the Maldives for the ultimate idyllic beach escape.
- Visit cosmopolitan Cape Town or the famed Kruger National Park in South Africa, before heading to the stunning island of Mauritius.
- Explore the wonderful city of Dubai then relax on the sugary soft sand of the Seychelles.

Captivatingly beautiful and never short of surprises, LUX* Resorts & Hotels are truly something special. Romance is key at the Tamassa, making it perfect for such a celebration, whereas LUX* Grand Gaube hosts numerous locations for the ceremony itself. Alternatively, opt for LUX* Le Morne where you'll be offered breath-taking views overlooking the sunset – utterly spectacular.
